Brian Teague, *Director of Finance*
Sunny Patel, *Accounting Manager*
Katherine Purdy, *Marketing Manager*

Cover: Purple landscape of bone mineral seen by polarized light microscope.

JBMR® Plus (Online ISSN: 2473-4039) provides a forum for papers of the highest quality pertaining to bone, muscle, and mineral metabolism. Manuscripts are published on the biology and physiology of bone and muscle, relevant systems biology topics (eg, osteoimmunology), and the pathophysiology and treatment of sarcopenia, and disorders of bone and mineral metabolism. All authored papers and editorial news and comments, opinions, findings, conclusions or recommendations in the *Journal* are those of the author(s) and do not necessarily reflect the views of the *Journal* and its publisher, nor does their publication imply any endorsement.

JBMR® Plus (Online ISSN: 2473-4039), is published monthly on behalf of the American Society for Bone and Mineral Research (ASBMR) by Wiley Subscription Services, Inc., a Wiley Company, 111 River St., Hoboken, NJ 07030-5774.

JBMR® Plus is the official open access journal of the American Society for Bone and Mineral Research, 2025 M Street, NW, Suite 800, Washington, DC 20036-3309, USA. **Advertising:** Address advertising inquiries to Joseph Tomaszewski, Advertising Sales Executive, Wiley, 111 River St., Hoboken, NJ 07030, (201) 748-8895, jtomaszews@wiley.com. Advertisements are subject to editorial approval and must adhere to ASBMR's advertising policy as specified here: <http://olabout.wiley.com/WileyCDA/Section/id-406194.html>. Publication of the advertisements in *JBMR® Plus* is not an endorsement of the advertiser's product or service or the claims made for the product in such advertising.

Disclaimer: The Publisher, ASBMR, or the Editors cannot be held responsible for errors or any consequences arising from the use of information contained in this journal; the views and opinions expressed do not necessarily reflect those of the Publisher, ASBMR, or the Editors, neither does the publication of advertisements constitute any endorsement by the Publisher, ASBMR, or the Editors of the products advertised.

Open Access and Copyright: All articles published by *JBMR® Plus* are fully open access: immediately freely available to read, download and share. All articles are published under the terms of the Creative Commons Attribution License. The Creative Commons Attribution License permits use, distribution and reproduction in any medium, provided the original work is properly cited and allows the commercial use of published articles.

Copyright on any research article in a journal published by *JBMR® Plus* is retained by the author(s). Authors grant Wiley a license to publish the article and identify itself as the original publisher. Authors also grant any third party the right to use the article freely as long as its integrity is maintained and its original authors, citation details and publisher are identified. Further information about open access license and copyright can be found at <http://www.wileyopenaccess.com/details/content/12f25db4c87/Copyright-License.html>.

Purchasing Print Reprints: Print reprints of Wiley Open Access articles can be purchased from corporatesales@wiley.com.

Disclaimer: The Publisher, ASBMR, or the Editors cannot be held responsible for errors or any consequences arising from the use of information contained in this journal; the views and opinions expressed do not necessarily reflect those of the Publisher and Editors, neither does the publication of advertisements constitute any endorsements by the Publisher and Editors of the products advertised.

Wiley Open Access articles posted to repositories or websites are without warranty from Wiley of any kind, either express or implied, including, but not limited to, warranties of merchantability, fitness for a particular purpose, or non-infringement. To the fullest extent permitted by law Wiley disclaims all liability for any loss or damage arising out of, or in connection with, the use of or inability to use the content.

Wiley's Corporate Citizenship initiative seeks to address the environmental, social, economic, and ethical challenges faced in our business and which are important to our diverse stakeholder groups. Since launching the initiative, we have focused on sharing our content with those in need, enhancing community philanthropy, reducing our carbon impact, creating global guidelines and best practices for paper use, establishing a vendor code of ethics, and engaging our colleagues and other stakeholders in our efforts. Follow our progress at www.wiley.com/go/citizenship.
